

Workshop on Source Code Management Using Git & Github

The Coders club of CSE Department, NECG has conducted A National Level Workshop on “**Source Code Management Using Git & Github**” sponsored under **AICTE SPICES SCHEME** in association with **Indian Server Vijayawada** on 06/11/2021. The resource person **Mr. Subramanyam Rekhandar**, Full Stack Developer, Software Developer at Finari Services Private Limited, addressed the Final year and Third year students and told “What is Git & Github?”, “Why is Github important?” and explained the Github features, how to use Git and Github. This simple and in-depth explanation made students understand the topic and its importance in the software field. Later he explained it’s value and importance in the software sector which created interest in students and made them feel interested in getting to know more about the Git and Github and choosing a useful career path.

Various points on the need of getting to know the latest updates in the technology, exposing ourselves in the open environment were also discussed by the resource person. Totally 85 students attended the workshop.
