

Report on Industrial Tour to Satish Dhawan Space Center

Industrial visit is vital part of the curriculum. It helps to bridge the gap between classroom and the real working world. The visit also provides first-hand knowledge about the organizational structures and modes of operations in different industries.

The objective of this visit was to provide real life exposure to MCA students about the knowledge of business systems and their automations by applying it.

With this vision in mind, industrial visit was planned by department of MCA NEC Gudur on 24th April 2018. We visited Satish Dhawan Space Center, Sullurpeta which is well known as the Special Economic Zone of Nellore district, Andhra Pradesh. 80 students of I & II MCA along with 5 faculty members visited.

The tour was started in college at 9:00 am and reached the destination by 11:00 am and finished our visit by 6:00 pm and reached to College by 8:00 pm.
