Report on Industrial Tour to Notus Soft Solutions Private Limited, Chennai

Industrial visit is vital part of the curriculum. It helps to bridge the gap between classroom and the real working world. The visit also provides first-hand knowledge about the organizational structures and modes of operations in different industries.

The objective of this visit was to provide real life exposure to MCA students about the knowledge of current software trends in the IT sector.

With this vision in mind, industrial visit was planned by department of MCA NEC Gudur on 26th March 2019. We visited **Notus Soft Solutions Private Limited**, which is a software company located at Ashok Nagar, Chennai. 70 students of I & II MCA along with 2 faculty members visited.

The tour was started in college at 6:00 am and reached the destination by 11:30 am and finished our visit by 6:00 pm and reached to College by 11:00 pm.
