REPORT ON CODE QUEST

Date: 08/01/2025

Department of Computer Science and Engineering (AI & ML) organized The **CODE QUEST** event, under the Byte Brains Club, was successfully conducted on **07/01/2025** at Narayana Engineering College, Gudur. The event aimed to challenge students' coding proficiency and technical knowledge through a two-stage competition.

CODE QUEST featured two levels of competition designed to assess students' problem-solving abilities and technical expertise:

- **Level 1 – Screening Test:** A preliminary coding round designed to evaluate logical thinking and programming skills.
- **Level 2 – Technical Quiz:** A quiz covering various programming languages, database management, and technical concepts to test students' theoretical knowledge.

The event was conducted under the guidance of **Head of the department**. His support and encouragement contributed to the success of the event.

Conclusion:

CODE QUEST provided an engaging and competitive platform for students to showcase their coding abilities and technical acumen. The event encouraged problem-solving, logical reasoning, and teamwork among participants, reinforcing the importance of programming skills in the ever-evolving tech landscape.
